

The background is a collage of three images related to firefighting. The top image shows a close-up of a firefighter's hands holding a hose. The middle image shows a firefighter in full gear, including a helmet with the number 42, looking forward. The bottom image shows a group of firefighters in yellow gear fighting a fire, with one firefighter using a hose to spray water on flames.

This week the cab completed content installation while the chassis began content installation. The pumphouse remained staged to be merged with the chassis and the body completed the paint process. Next week multiple components of your apparatus may be merged while the body may have trim and wiring installed.
